Really great 11-year-old WS JAMAKIZM daughter. We wanted to add WS JAMAKIZM bloodlines and brindle to our herd. With her great confirmation and twist, she checks all the boxes for us. We have enjoyed DH MISS KATE on our ranch. She is a protective mother but easy to get along with. Don't have to worry about her in the pasture and she loves "cookies"! Measured 78.50" TTT on 12/15/2021 and has a TIMELINE (JP RIO GRANDE X
